

HSBC Small Business Pop Up week 27 – 30 March 2017

Alan Bolton from Adams & Moore visited HSBC Dartford branch on 30th March to take part in HSBC Small Business Pop Up week; this event is designed to highlight small businesses in the locality.

Alan, Associate Director of Client Services at Adams & Moore, has over twenty years' experience in finance and business management gained from working in private and Third Sector organisations.

It was an honour to be invited to take part in this event and to have the opportunity to show case our services and answer questions on accounts, tax, and business related matters.

From the beginning, Adams & Moore has strived to provide a first class, professional service that goes beyond clients' expectations. Our innovative and personal approach to clients has been one of the underpinning principles upon which our firm has been built. This has been achieved through listening to our clients and understanding their needs in order to deliver effective, tailor-made solutions.

Our relationship with our clients goes beyond what you might expect from traditional accountants. We pride ourselves on our ability to form lasting partnerships with our clients. We are proud that this has allowed us to achieve growth primarily through referrals and repeat business.
